Something New

Bishop David has produced a series of short talks focused on "The Church". These videos can be viewed on the Northampton Diocesan YouTube Channel. Simply type "Northampton Diocese" into the search bar on YouTube and click on 'The Church' playlist.

Lockdown Rules are still in place

Please remember to sign in via paper-slip or the NHS App. Face-coverings are compulsory apart from those exempt for health reasons. The ropes remain in place, cordoning off each second bench. Please keep social distance especially when leaving church via the second exit. Please God, come 21st June, we can be more relaxed. We look forward to **singing** once again as a congregation. No need to book a place for Mass, but please remember that numbers are limited, exact number varies according to "bubble" sizes: to avoid being turned away, arrive in plenty of time.

Our Sacristies are Small and can get busy before and after Mass. To ensure safe distance, please only enter if you have a job to do and/or invited in by the priest. Thank you.

Contacting Fr Pius

He will be getting a contact mobile phone number soon and a website. He can currently be contacted by phone at Our Lady's 01536 203121 and by email on billypak2@yahoo.com

Today's First Holy Communion Children. Congratulations to Ciaran, Weronika, Alfie and Orla Rose who are all to receive Jesus for the first time in the Eucharist at today's 10:00 am Mass. We will give them a joyous clap at the end of Mass as they receive their certificates.

Confirmation 2021

Candidates are asked to drop their weekly worksheets in the box at the church exit. We promise to read them all.

Holy Communion on the Tongue.

Holy Communion on the tongue is now allowed once more, having been prohibited for many months, BUT only if the priest/minister sanitises their hands between each communicant, which is not practical the way we currently administer Holy Communion in the pews during Mass. If you wish to receive Jesus on the tongue for the next month, by which time we hope to be back to normal, please remain behind after everyone else has left Mass, making your way to the front pews, ensuring the priest knows that you wish to receive. All others, please stand, at the conventional time holding your hands nice and high at arms-length and we will place the sacred host on your up-faced hand. If you wish to receive a blessing, please stand with your arms across your shoulders.

Baptisms This Weekend

Welcome to baby Effy Louise who was recently baptised in Oundle.

This year's NYMO Summer Camp at Alton Castle is to proceed: Wednesday, 28th July – Sunday, 1st August. Go to [nymo.org/summer camp/](http://nymo.org/summer%20camp/) to book with your £50 deposit. Camping or dormitory options are available.

Wedding Bells

Blessings upon Kyle and Ellen who were married in St Paul's, Thrapston yesterday. Theirs is the first wedding to be celebrated under the new registration rules. The old green registers have been withdrawn after donkey's years. This signals the end to the traditional the signing of the registers; now a single schedule (form) has to be signed, but a nod to tradition remains as registrars' ink is still required to be used for the signatures.

Ordination to the Diaconate

Blessings upon Jithu James who was on his extended placement with us recently. Jithu became "Rev Jithu" last weekend as he was ordained a deacon at Oscott College Chapel. We wish him many congratulations and are thrilled that he will be with us next weekend.
